

FWM 01

The Tono FWM 01 TV wall mount flat screen bracket provides a universal mounting solution for all types of flat screen TVs (LED/LCD/Plasma). This bracket helps to free up counter, table or desk space and adds sleek contemporary style. It is suitable for a screen size between 32" - 65" with a maximum weight capacity of 60 kgs. The depth from the TV to wall is minimum and the unlock tab is an important component of this wall mount. LED televisions are slim and light and a suitable option is needed to hang these good looking displays.
