

MODEL KL-60

FOR UP TO 60 KG

- Lift Extends 66 cm Upwards
- Maximum Weight: 56.7 kg

Use this convenient kitchen storage lift to conceal appliances and other valuables from view. With its EZ-Lift design, the model is easy to install and easy to use. Its lightweight construction requires minimal space, while its retractable casters allow you to move freely around the kitchen. The KL 60 model is most often used in the dead corner of L-shaped countertops.
