

## LPC 01

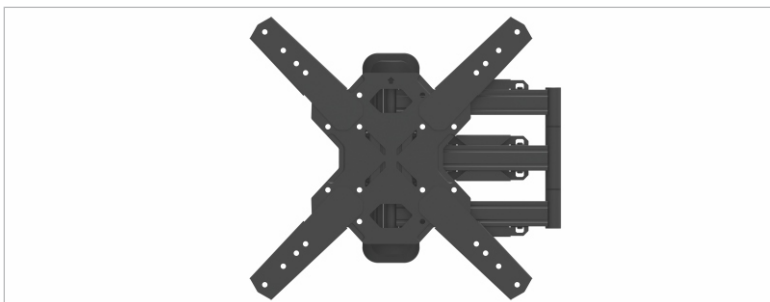

Our LPC 01 TILT SWIVEL LED TV WALL MOUNT cantilever mount is a popular design which made the consumers install their TV by themselves in a quick time. With our nice looking and high- quality surface powder coating finish we got a good response from our customers. The wall plate cover is magnetic and cable hiding system looks neat and tidy. With this full- motion mount, you can easily fix, tilt, extend, fold and rotate your TV.

This low profile design makes your mounting ultra thin and takes your flat panel TV much more closer to the wall, i.e. only 50mm(1.9”).
