WHY LPC XL 01

<p>01</p> <p>ULTRA-SLIM PROFILE</p> <p>52 mm shallow-groove design sits flush to the wall for a clean, built-in look.</p>	<p>02</p> <p>WIDE REACH & SWING</p> <p>660 mm extension with a full 120° swivel for any viewing angle.</p>	<p>03</p> <p>REINFORCED SIX-ARM</p> <p>40×25 mm six-arm structure delivers serious stability and safety.</p>
<p>04</p> <p>5 MM WALL PLATE</p> <p>One-piece stamped SPCC-grade steel plate — no seams, no flex.</p>	<p>05</p> <p>PRECISION STEEL SHAFT</p> <p>25 mm seamless solid shaft with adjustable damping — no tilt, no deformation.</p>	<p>06</p> <p>EASY BIG-SCREEN FIT</p> <p>Sliding adjustment plates make installing large TVs fast and fuss-free.</p>

REINFORCED **SIX-ARM** SUPPORT

40×25 mm arms. A robust six-arm structure significantly upgrades safety and load stability.

IN-ROOM **SHOWCASE**

Disappears behind the screen. Slim build keeps the TV close to the wall for a premium finish.
